SUBJECT: MEDIA REACTION: IRAQ'S NEW GOVERNMENT

Block Quotes

11. Saturday, 6 May, 2006

-- Mohamed Zain wrote in the pro-government Arabic-language daily Al-Seyassah under the title "Iraq without a people ruled by wolves": "As Alawi has gone so did Al-Jaafari, and Al-Maliki will stay for a short while then go so that another person may come to the same set of problems; As long as there is sectarian violence and conflict over Iraq's resources. The people of Iraq are used to the miserable existence which they have been living through for a while now and there are no more politicians that care about them or their future. I am worried that Iraq will one day soon turn into a society of political wolves ruling over a country without people."
